Re: Discover[®] Network ZipSM 1.0 – Type Approval Letter
Product: CR-80 Card with INSIDE Contactless L4-1G Micropass inlay

Dear Jim:

DFS Services, LLC (Discover) hereby confirms its type approval of Perfect Plastic Printing's (PPP) CR-80 card with INSIDE Contactless L4 -1G Micropass inlay. Accordingly, PPP may notify its customers of Discover's type approval and may now distribute this product with the Discover[®] Network ZipSM Contactless payment application. Discover may list the product referenced above as an approved product on its corporate website together with communications materials for the duration of the type approval contained herein.

This approval is granted for a period of twelve (12) months and will expire on February 1, 2008. PPP may apply for an approval extension prior to the expiration date.

Any significant hardware or software change to the product tested above must promptly be communicated to Discover. Discover reserves the right, in its sole discretion and at any time, to revoke the type approval granted herein upon prior notice and PPP shall promptly comply with such revocation. This letter may not be assigned by PPP.

Sincerely,

A handwritten signature in blue ink, appearing to read "Troy Bernard". The signature is fluid and cursive, with a large loop at the end.
